Dear, [Name of the Family Member]:

I regret to inform you that you must vacate my apartment within 30 days. As you know, you have not paid rent in three months, and you have also invited people over without asking me, contrary to our original agreement. I've asked you to stop doing this but to no avail. You've also broken my mirror and damaged my sofa. Photos are enclosed.

I will not be responsible for any property that you leave behind here. Please remove all of your belongings from the premises within the next 30 days. If you have any questions, feel free to contact me at [phone number].

Sincerely,

[Your Name]
