To Whom It May Concern:

We would like to grant our son permission to travel with his grandparents, [grandparents' names], to [Country/Countries they will be visiting]. We have been in close contact with them and are confident that they will provide a safe and nurturing environment for our son while they are abroad. We trust that they will take good care of him and respect his privacy, as well as follow our parenting guidelines. We will remain available via phone and email should any issues arise. This letter is being written as proof of our consent for them to travel with our son.
